Learning To Flow With The Spirit Of God

Synopsis

There is a very fine line between real spirituality, and fanaticism and excess, Rev. Kenneth E. Hagin states. Discover how to yield to the Spirit of God individually and corporately.

Customer Reviews

Romans chapter 8 tells us that we are to be led by the Spirit of God. Unfortunately most Christians haven't clue as to how to BE led. They don't know HOW to flow with the Spirit when He is moving. Get the book - Read it - and Learn! You won't be sorry.

This book (although our revelation comes from The Holy Spirit) has made a point that we need to discern what's going on in people and our Christian churches. We need a relationship with the Holy Spirit, not a religion. God hates religion. This book also makes a simple point: when we flow WITH the Holy Spirit (and not against) Him, He is FULLY able to do exceedingly and abundantly above all we may ask or think. We are sons and daughters of The Most High (when we accept Jesus as Lord and Savior) and we are vessels for His Glory , not our own.

He recognises that when the Holy Spirit interacts with people they often don't know how to respond and often do unusual or disruptive things trying to cooperate with Him. Hagin suggests channeling that experience in helpful ways. I think many churches need this today.

Excellent, another good one from this author.

The book is not what I expected. It is small fits in your hand. It is also a quick read. The content itself is good just assumed it was a regular sized book that went deep in to flowing with the spirit.

great book went on my kindle

This is a great book, especially if you are looking for a closer relationship with the Lord. It will draw you closer and closer.

I feel like I was ripped off! The book was a very, very small mini-book I could have purchased at a Christian Book store for \$1. The size of the book was not mentioned on the site. Although, I enjoyed reading the content of the book, I am very disappointed, I would have not paid the price I paid for the book including the shipping cost!
