# Our Man In Antigua: December 2016 Edition: An On The Ground Guide To La Antigua, Guatemala

## **Synopsis**

December 2016 Edition: Any guide book, no matter how new, is two years old, from the time of gathering information/printing and distribution...that's why I began this project 7 years ago...La Antigua, Guatemala (where I live) changes every month...Everything you need to know is here and this guide will save you money and time. There are little known facts, history and recommendations. Consider it the ultimate insider's guide to Antigua.

## **Customer Reviews**

In plain English how the city works. Fun and informative

I am a resident, not a tourist. The book has information that most locals do not know. Let me give an example. ATMs in Latin America can be "touchy", often refusing to dispense money. You quickly learn which ones have mean streaks and which do their jobs. Two months ago I returned to Antigua from a trip to Chiapas. To my surprise, I could not use my debit card in my two favorite reliable spots in Antigua. About this time, I bought Michael Sherer's book. It details a simple and effective way of overcoming this problem without resorting on Western Union, PayPal, cash from friends/relatives,

etc. The value of this hack was worth to me at least 25 times more than the cost of the book. Great inside information on culture, restaurants, things to do, places to go, etc. Any complaints? Yes. The publisher needs to let Sherer add an index to assist in locating information.

I am a long-time resident of Antigua, which is, by the way, one of the world's great towns. I know our pueblo well, or thought I did until I read Michael's book. I was impressed with his research, accuracy, and awareness of so much here that I didn't know about. Useful, interesting and well-written in a lively writing style that had me finish the book in one reading. If you are coming to visit, this book will definitely make your trip more enriching. If you live here, read it and you will probably be surprised by how you don't know. And if you live here and have guests visit, stick this book in their hands and you have done all you need to do to insure they have a great visit.

With this book Michael proves that he knows Antigua better than anybody else. I can confirm that whatever is written in the book is as far as I know it, exactly how Michel is describing it. This book is a " Must read " for everybody who wants to stay longer than just a few Days. Thanks Michael I learned a lot of News. Keep watching and further reporting.
