Edited by Pamelý J. Kennedy, she currently lives in Hawaii with her husband, a retired naval officer.

This book is a delightful collection of old favorite hymns with the story of what inspired the writing of the hymn. I work in a Nursingcare Center and use this book for devotions. It is an excellent resource.

I love this book. I've ordered 4 of thing to give as gifts to friends from church. They loved them too.

Photographs in the books were inspiring and seemed to match the message of the song they were with. The stories about the composers were encouraging as they tell about the struggles the composers went through as they were inspired by the Lord to write the songs. I have a lady that I play the piano for in her home and we sing the songs together. We are both blessed to sing the wonderful songs together.

Wonderful book. Both of the books were in like new condition.

Loved it, but gave it as a gift to a friend.

using it often

Beatiful songbook. All the common songs, very easily understood. Many of my favorite songs. I ordered several of these books. Gave them away, they loved them too.

It is a beautiful hymnal book. The story's and lyrics are very inspiring. I was amazed at the value. The condition of the book was as stated, almost like new. Thanks.
