Brooding YA Hero: Becoming A Main Character (Almost) As Awesome As Me

Synopsis

Have you ever wished you could receive a little guidance from your favorite book boyfriend? Ever dreamed of being the Chosen One in a YA novel? Want to know all the secrets of surviving the dreaded plot twist? Or maybe you're just really confused about what "opal-tinted, luminous cerulean orbs" actually are? Well, popular Twitter personality @broodingYAhero is here to help as he tackles the final frontier in his media dominance: writing a book. Join Broody McHottiepants as he attempts to pen *Brooding YA Hero: Becoming a Main Character (Almost) as Awesome as Me*, a "self-help" guide (with activities--you always need activities) that lovingly pokes fun at the YA tropes that we roll our eyes at, but secretly love. As his nefarious ex, Blondie DeMeani, attempts to thwart him at every turn, Broody overcomes to detail, among other topics, how to choose your genre, how to keep your love interest engaged (while maintaining lead character status), his secret formula for guaranteed love triangle success, and how to make sure you secure that sequel, all while keeping his hair perfectly coiffed and never breaking a sweat.

Book Information

Hardcover: 352 pages

Publisher: Sky Pony Press (October 3, 2017)

Language: English

ISBN-10: 1510726667

ISBN-13: 978-1510726666

Shipping Weight: 1.7 pounds (View shipping rates and policies)

Customer Reviews

“Readers and authors will swoon and raise a perfectly arched and knowing eyebrow at this clever confection, narrated by an egotistical main character, about writing the perfect main character. With a tongue-in-cheek look at YA tropes, writers are subtly encouraged to expand the genre in a way that is more clever, more subtle, and more inclusive. I would tell you more, but Broody and I are about to meet-cute in an epilogue.” —Jodi Picoult, New York Times bestselling author of *Small Great Things* and *Between the Lines* “I smiled, I laughed, and I might have swooned! A brilliant combination of humor and clever insights. If you’re

looking for entertainment or writing a young adult novel, you need to read this book."

– Stephanie Garber, New York Times bestselling author of *Caraval* "Hilarious and sneakily, cheekily feminist in the best way. I'm gifting a copy to every YA reader in my life." – Sandhya Menon, New York Times bestselling author of *When Dimple Met Rishi* "Whether brooding snarkily, brooding soulfully, or brooding with a side of melodramatic backstory, *Brooding YA Hero* embodies everything I love and love to hate about the bad boys of young adult literature." – Jessica Cluess, author of *A Shadow Bright and Burning*

Carrie DiRisio runs multiple popular social media accounts including @BroodingYAHero, and is the social media intern for Serial Box Publishing. Her speaking engagements include talks at the Carnegie Library System of Pittsburgh, Western PA SCBWI workshops, and the upcoming YALSA national symposium. She proudly considers herself a Slytherin and aspiring Disney villainess, who also loves the color pink and making people laugh with funny GIFs. She resides in Pittsburgh, Pennsylvania where she is currently pursuing her MBA in Digital Marketing. Broody McHottiepants is a master of all trades (Of course. Why would he be anything less than that?) His current hobbies include making bad life choices, shedding manly tears, rescuing clumsy protagonists, and, of course, gazing into everyone's eyes. This is his first book, although he'd like to remind you he's starred in many novels and movies, including your favorite one. He'd also like to remind you to let out that breath you didn't know you were holding. When he's not saving the world from a bleak dystopia, getting crowned Prom King, or falling in a love triangle, he can be found sulking in a corner. Linnea Gear was born and raised in Cave Creek, Arizona, a small town known for its Wild West feel. She has been drawing professionally since 2013. Linnea currently lives in Flagstaff, AZ, earning a BS in Chemistry and currently splits her time between drawing concept art and drawing chemical equations.
