Chicago Tribune Sunday Crossword Puzzles, Volume 4 (The Chicago Tribune)

Synopsis

First-Class Puzzles from America's Second City
The 50 crosswords found in this volume capture the flavor of Chicago perfectly—some are contemporary, some are traditional, most fall somewhere in the middle; they come to the Tribune from California, Illinois, Massachusetts, and points in between. In other words, they're as delightfully diverse as Chicago itself! Puzzle editor Wayne Robert Williams has been creating and editing puzzles, puzzle books, and puzzle magazines for 30 years. The Chicago Tribune has been showcasing the results of his expertise since 1997. Random House Puzzles & Games features the brand names and authors that puzzle fans know and trust. Customer Reviews

Another volume of Sunday-size puzzles from America's Second City—50 crosswords whose middle-of-the-road style and medium difficulty-level will appeal to a broad range of solvers—A popular, strong-selling series since its debut in 2002

I bought this after our paper announced Wayne Robert Williams would not be able to submit his

daily crossword puzzles (this book is edited by him)I am enjoying these puzzles so much. Challenging but not so difficult that I cant do. someone commented in a prior review that the paper is too thin. It's heavier than a newspaper and i have no issues with it.

These puzzles are entertaining but I have to comment on the quality of the paper they are printed on. This is the thinnest paper I have ever seen in a book of any kind. Tearing out the spiral bound pages makes the biggest mess and you can see right through it. This is not what you would expect from a company like Random House.

I searched for large print and this came up. It was described as large print. However upon receipt, it was not. Bought it for a friend. Pretty disappointed

these puzzles don't seem as challenging as those from the LA Times, Boston Globe and Washington Post. they want 3 more words. here they are

I've been ordering these puzzle books for years. I like them so much that I've reordered the same ones twice because after several years you forget that you've done the puzzles, so you do them again! True!! :)

great

My husband loves these puzzles. He likes that they lay flat when you so them and they really test your brain.

fun
