Synopsis

My First Arban Book for French Horn. An introduction to the essential elements of the famous Arban method presented in a logical manner and in a format for developing students to use. The Arban techniques of brass playing adapt very well to the study of the horn. This book will improve the technical facility and musicianship of the young horn player the way the Arban method has for a century. It will serve as a fantastic preparation for the Arban techniques and help the developing students make the transition into the standard pedagogical horn literature. My First Arban is designed to work both in an individual and a group lesson setting. My First Arban is an invaluable tool to take young horn players to the next level of playing.
