This was sooooo AWESOME I just can't believe it. I thought that this wasn't worth it at first but then I just changed my mind. This was very funny. I just side with Alex about everything being STUPID. But I'm not much of a talker either since I got an impression that Alex talks, a lot. Also I'm sorry for all those br>s and all that junk that got posted on ~f~ ~ Å~ Æ~ ~ Hope you like my review~f~ ~ Å~ â ™~ ~

/|||||||/ ||||| ||||| |||||eslageek here. Revenge makes everyone COMMIT A CRIME! Do not do that. Awesome book. Herobrine doesn't look awesome in that picture. He looks like he got knockback from the explosion.-----Suggestions-----Make Herobrine Enirboreh, god of anger, who made Alex enraged... OUTRAGED! Xela, is the goddess of anger. Awesome suggestions right? I would like to become a favorite reviewer but it all depends on YOU! :) Keep making books! The reason why we get bored even when there is MC Minecraft is because, sometimes you can't lay the game sometimes. I hope the minui stars for your book is 4 stars. I am also making a book that contains 303. Herobrine, the good guy. That book looks like your book but longer and more Hi-tech. Includes guns! Your awesome reviewer Teslageek on my friend's Kindle.

hi nichole. i know i havent writen a review for a long time, but here is one loooooong review. (ps PLEASE PUT ME ON THE AWESOME REVIEWERS LIST! Ive been revieqing for a long time, and i really want to be a awesome reviewer! i love your books as much as ilove the warriors series. plsplsplsplspls put me on the list!) ok, nicole was right about herobrine and steve being different. as a minecraft player ive seen various herobrine skins, and its true. FIRST: please add jessie from minecraft story mode. i know it sounds like much, but if you dont know what it is, you never lived. that way alex has someone to talk to (and steve will probably fall in love with jessie and

rawr rawr rawr).SECOND: in the end can you make the ender dragons name be nadia. it just sounds right for me. nadia the ender dragon.THIRD: add. tacos. alex finds out a way to make tacos. recipe: carrot carrot carrot potato beef potato wheat wheat wheat finally a taco tuesday in minecraft. taco. with. alex wants to hide tacos from steve and herobrine so she can eat them all. they read her diary. steal taco recipe. they have to give it back, because they don't know how to put it in the crafting table. they burn the recipe go figure.thanks for reading! marks daughter,Nicole

Nice book! You know first in this review I'm just going to point out a few mistakes I found. Actually there is only one! For the picture where Herobrine, Alex, and Steve is (at the end of the book "to be continued" part) at the end portal the picture had something wrong. Herobrine and Steve looks very similar but what you don't realize is that besides the white eyes and no white eyes part they dress differently. Notice how Steve's shirt has a tag (a pull on the shirt) to the right. This is where the mistake is. Herobrine is supposed to have a tag pulled to the left. That is the other difference Herobrine and Steve have. Even some minecraft Pros don't know this! That sums up the mistake you did. Overall, this book was awesome! Not many books are like this and you're one of the few minecraft authors that have such high quality books! Also, do you use blender to make these images? Yeah probably blender. P.S thanks for putting me on the awesome reviewer's list! ^

I liked how angry Alex finally managed to put the scowl off her face. The reason Alex can't any players is because they're the only "existing default characters". One question is, if Steve and Alex are the only default characters does that mean that their parents are villagers or another Steve and Alex? Herobrine also seems to go soft on everybody, slowly but surely. His short two sentence conversations always somehow cheer me up. I think that there's some sort of bonding between them. Alex always tries to find a mistake that she could complain about. If you are reading please check out her other books! My favorite part is when they tried to start a riot. I think if they snuck off one of the villagers robes maybe they would pass for a villager.-Alex N.

Hi, its me NinjaBoy899, and i just wanted to say how lovely this new book is. I loved reading it so much, enjoyed the pictures, the plot, and the "jailbreak", if you know what I mean. I know this going to be one of my shorter reviews, considering how long the last one was, but I just needed to express how great this book was and how much i enjoyed it. I hope that everybody buys this book from the store, because it will give them enjoyment for a nice long time. My only recommendation for a book

you will write, isn't even for the next one! Its for the end of this series (Hoping thayts not any time soon). Can the finale book be rrrrrreeeaaaaalllllyyyyy long? That would be awesome.Signing off until next time,NinjaBoy899
