Slightly different from the movie but the general story was the same. Very good. My 5 year old sat through the movie (which is subtitled so I had to read the subtitles to her the whole movie) and liked it, and really likes the cd. She loves AIO, so when we saw that there was a Drop Box story we had to have it!

Adventures in Odyssey stories are never boring. We listen to it in the car all the time. Sometimes we did not want to get out of the car just because we want to finish listening to the adventures. I am collecting these audio series.

Another great Odyssey! Wish FOF could make new CD's faster. I've purchased them all as they come out for my children and grandchildren. One of our sons can't fall asleep without them.

Love it

Radio Theater / Adventures in Odyssey did a great job on this story. The story in and of itself is a great concept. The way it is done for Adventures in Odyssey is over the top. Job well done and with an excellent message. Great for kids and adults.

Beautiful story for both kids and adults. I share it on my website during Adoption Awareness Month.

We both enjoyed this CD (my daughter and I). It was great playing it in the car and discussing the

life lessons.

Great story, my kids enjoyed it!
