Froggy Plays T-ball

Synopsis

It's the first day of T-ball and Froggy can't wait. In his dreams he's hitting home runs and waving to the cheering crowd. But things never go quite right for Froggy. After he bonks his pal Max on the head with his bat, throws himself out at first base, and spends his time in the outfield catching real flies with his tongue, Froggy has one last chance to prove he's a T-ball star.

Customer Reviews

Kindergarten-Grade 3 *Froggy* is back, and he can't wait to play his first game of T-ball, which his dad is coaching. As usual, Froggy's natural exuberance and excitement are infectious, and the whole family flops off to the ballpark. Once there, he displays a lack of coordination and comprehension (misunderstanding the word home, he runs toward his actual house), but that doesn't get in his way. This story has the familiar (and successful) structure, including italicized sound words (whack!). Froggy's mistakes allow youngsters to learn about the game and its rules. In the end, he is successful, and T-ball is a positive experience for him and his family overall.

Remkiewicz's illustrations are easily recognizable, but vibrantly colored here with oranges and greens. This sets Froggy's T-ball experience apart from all the rest. Go, Froggy,

go!

I bought this along with a T-Ball set for my two year old grandson but he doesn't have the attention span yet for this book. Hopefully he will be able to appreciate it within a year or so.

Grandson loves these books!!

Book was super cute! My tball team loved it! Was completely bent in half from shipping though:(But we got it to bend back out!

Great book! My son loves this book and it got him excited about playing t-ball.

Very cute book!! My daughter loves the "first go go first, second go to second, third go to third then go home!"

My daughter LOVES these Froggy books. She is 6 and just starting to read. These books encourage her to want to read as she thinks they are funny. They are adorable! We love them.

Bought this book a few weeks ago to read to my 4 year old son who plays t-ball. He loves the book and wants me to read it to him everynight. I would recommend it for kids from 3-7 years old.

Perfect for our baseball theme lesson for preschool
