Philosophic Classics: From Plato To Derrida (Philosophical Classics)

Synopsis

First published in 1961, Forrest E. Baird's revision of *Philosophic Classics* continues the tradition of providing generations of students with high quality course material. Using the complete works, or where appropriate, complete sections of works, this anthology allows philosophers to speak directly to students. Esteemed for providing the best available translations, *Philosophic Classics: From Plato to Derrida*, features complete works or complete sections of the most important works by the major thinkers, as well as shorter samples from transitional thinkers.

Best Sellers Rank: #11,479 in Books (See Top 100 in Books) #22 in *Books > Politics & Social Sciences > Philosophy > History & Surveys* #36 in *Books > Politics & Social Sciences > Philosophy > Greek & Roman* #43 in *Books > Textbooks > Humanities > Philosophy > History & Surveys*

Customer Reviews

"Students with little or no background in philosophy would likely find it difficult – if not impossible – to comprehend the works of many of the philosophers addressed in [each] volume on their own. However, this text's informative introductions and careful selection of readings make it possible for students to get a foothold in their primary texts....[S]tudents are afforded the opportunity to engage with the works of these illustrious but often inscrutable thinkers."

– Jennifer McMahon, Centre College "This collection is by far the best I have seen in this area....And I certainly prefer having all of my material together in one text rather than having students purchase half a dozen books, which then still require supplementation. I cannot imagine a better format or selection of materials that would tempt me away from this collection for another."

– Ted Toadvine, Emporia State University --This text refers to an out of print or unavailable

edition of this title.

Esteemed for providing the best available translations, *Philosophic Classics: From Plato to Derrida*, features complete works or complete sections of the most important works by the major thinkers, as well as shorter samples from transitional thinkers. First published in 1961, Forrest E. Baird's revision of *Philosophic Classics*, Pearson Education's long-standing anthology (available in split volumes), continues the tradition of providing generations of students with high quality course material. Using the complete works, or where appropriate, complete sections of works, this anthology allows philosophers to speak directly to students. For more information on the period volumes that are available please see below:

- Philosophic Classics, Volume I: Ancient Philosophy*, 6/E ISBN-10: 0205783856
- Philosophic Classics, Volume II: Medieval and Renaissance Philosophy*, 6/E ISBN-10: 0205783902
- Philosophic Classics, Volume III: Modern Philosophy*, 6/E ISBN-10: 0205783899

If you are interested in reading philosopher's, it's okay. My teacher (who knows Latin) said the book was translated weird, but it was still a fairly okay read. Definitely would not have bought it if it wasn't for class.

Honestly, I am that person, and this is the first time I have written a review. However, this individual contacted me through email and genuinely asked how everything came out. It was one book. Super simple, but the fact that one simple book meant that much, well...that means a lot to me. I am happy to say I am satisfied with the service and the product. I definitely recommend!

this book is "okay" ... I won't use it again though ... I think Phil 1 students would be better off with a textbook which includes some written explanations and questions for thought ... if a student misses a day of class, they will have to turn to the internet for explanations of the readings

book came really fast!! no rips no stains whatsoever seems like a new book!

great quality, arrived quickly

Fast and great pricing

It has all the right passages, but needs better explanation of those passages. Bit too dense.

The book did its job. However, it was really damaged, it had water marks and pages were falling off.
