Mother Teresa: In My Own Words

Synopsis

The collection of quotes, stories, and prayers in this book are all her own words and experiences. They were compiled from various sources. Her undying faith and concern of the human spirit is reflected in these passages. In her years of work, Mother Teresa has brought God to millions in places of darkness. Let her share her hope, faith, and love with you.

Customer Reviews

Though Mother Teresa's words may be spare, her good deeds are abundant. The messages in this lovely collection--directed at coworkers, sisters, and others eager to hear the words of someone who lived the challenge she presented to others--are sure to provide inspiration for anyone who reads them. The quotes, stories, and prayers are a testament to the 1979 Nobel Peace Prize winner's generosity and strength of spirit: "Good works are links that form a chain of love

The legendary Mother Teresa's work for and among the poor has become the yardstick by which the entire world measures compassion, generosity, and selflessness. Her words and actions have inspired millions of people from every race and religion and country to help the poor and needy, a legacy that is her gift to all mankind for generations to come. From 1950, when she founded the order of Missionaries of Charity, to winning the Nobel Peace Prize in 1979, and then, in 1985, being awarded the Medal of Freedom--the United States' highest civilian award--to her final days, Mother Teresa served the world as a beacon shedding the light of hope, comfort, and peace on all. Mother Teresa: In My Own Words is a timeless testament to the power of her words. Here are the same

quotes, stories, and prayers that helped strengthen and inspire the poor, the dying, the suffering, and the doubting who she met during her lifetime, and that will continue to strengthen and inspire all who read them. --This text refers to an out of print or unavailable edition of this title.

This is the third time I've purchased this book. I keep a supply of Mother Teresa's books handy to give as gifts to friends/family members, or sometimes even strangers, who are going through dark times. This, and other books about and by Mother Teresa, had helped me to grasp the true meaning of love and of life, and helped put my feet back on the ground through some very difficult times. I'm happy to say the books have helped my gift recipients also!

This book is a treasury of wisdom from one who lived a radical life of poverty and service so that she could be more effective at bringing Jesus to "the poorest of the poor in their holes on the streets." Easily read, and with pictures from her life, this book is well organized. While "Mother Teresa: Come Be my Light" would be a much more complete and in-depth book on this (probable) saint, that one is also a much heavier read. This book, "In My Own Words," is much more easily digested and serves as both a good introduction to this saintly life, and as a source of pithy pearls of wisdom in readily grasped and inspirational morsels. This book belongs on the shelf of all Christians to serve as inspiration and guide in our treatment of others, and indeed, of any who desire, no matter their religious affiliation (or lack thereof), to serve their fellow human beings.

OMG- Love this little book. Easy read, honest and transparent!

Product exceeded expectation and was delivered as promised!

Beautiful and right to the heart. Provides excellent reading during Lent.

great

I love reading Mother Teresa books

a very short book filled with quotes. Gives a great snapshot into the philosophies and thoughts of this wonderful woman
