# Classics Of Indian Spirituality: The Bhagavad Gita, Dhammapada And Upanishads

## Synopsis

These classic teachings comprise the most important and universal texts from the Indian wisdom tradition. They pose the fundamental questions of life pondered throughout the ages: Who am I? What happens when I die? What is the purpose of my life? Each text offers compelling answers, reflecting the style and personality of their Vedic and Buddhist authors. Eknath Easwaran's lyrical translations and engaging explanations of key concepts ensure that the texts are as relevant today as they were centuries ago.

## Customer Reviews

"No one in modern times is more qualified - no, make that 'as qualified' - to translate the epochal Classics of Indian Spirituality than Eknath Easwaran." --Huston Smith, author of "The World's Religions"

Eknath Easwaran's clear, modern translations make these books appealing to the general reader as well as to the serious student. Each scripture includes an introduction placing it in its historical and spiritual context. Each chapter is introduced by an editor who has taught the work to college students and knows the questions asked by first-time readers. --This text refers to an out of print or unavailable edition of this title.

Great read! Inspiring!

Beautiful condition! The set is absolutely gorgeous aesthetically, I can't wait to dig my mind into them!

Didn't need the commentary.

Mr. Easwaran has given a concise and yet very easily understood presentation of Indian spirituality in these books. Enjoyed them.

Excellent!!!

love it

Well, timeless classics no doubt. But the secret is in the translation. I've seen a few translations of the gita, this is by far one of the best. So I decided to trust Eknath Easwaran and get the full set of all 3 books, and it turned out to be a very good choice! It is wonderful reading, and highly recommended.

I had a calling and this has hit the spot! The language used to tell us about the various scriptures has been wonderful for me. I would recommend it to all. It has been translated as is with a good amount of forward to explain the meanings of terms. Enjoy and may it bring you enlightenment!
