The Bimbo Blazer

Synopsis

Yes, Master. Your slave lives to please you. Nick has always been too smart for his own good. In high school, that made him a nerd, and he was cast out. In fact, the only time he screwed up the courage to ask a girl on a date, she humiliated him. So, instead of searching for acceptance in social circles, Nick turned inwards. Now, in college, things have started to change. Years of research and planning have led to Nick developing Evolve, a chemical hormone that, in men, boosts testosterone, confidence and muscular growth while turning women into horny, submissive bimbos who will do anything to experience the pleasure of being used. With Evolve on his side, Nick is ready to have some fun with the woman who frigidly turned him away, letting his fantasies run wild and, after all this time, turning his dreams into reality. The Bimbo Blazer contains themes of: bimbofication, bimbo transformation, hypnosis, mind control - and contains MF scenes! 18+
