Incredibly in depth study. Necessary for EVERYONE! Everyone has bondages - most don't even know. This study covers who we are in Christ, then the power & authority we gain with Christ living in us & finally the steps through breaking our bondages. We started this study with our small group last April & are on Ch. 12 now. Due to intense discussions, much needed explanation & holidays it has taken us nearly a year to get to where we are now - Chapter 12. I HIGHLY recommend taking it slowly to be sure everyone has time to digest each step, reflect on themselves & apply what's

learned along the way. We initially thought we would do a chapter a week & be done last July! :) However, everyone in our group has greatly appreciated slowing it down & truly taking it in. Highly recommend this study!

this book clarifies and explains the Spiritual freedom and strength found in the Bible- Love it!!!! was so persuaded by the need for this book that I bought a case to give away to others ;)

Something everyone should read and read and read! Very eye opening. Christians have to be aware of the power that surrounds them and get ready for the battle of their minds. Satan and his demons are VERY alive and taking control of people left and right. If we are to win the battle and keep him from gaining control of our lives, we have to know how to break the bondage he has on us and those around us. Cannot say enough good things about this book or the author.

Received fast and as described. Praying it helps. Even our Pastor recommended it.

Excellent as described.

Great insights and presentation

Works perfectly with the book

This study guide is perfect to go along with the book. A friend of mine and I are going through this together and have really loved the way Neil Anderson breaks this down and gets your mind going.
